Executive Secretary, WCSR

Dear Pat,

I'm really very sorry that our plans did not work out. Unfortunately, all our plans for the week are made on Sunday, and since your letter did not reach us until last Monday, we had not made plans to visit you. After receiving your letter, I attempted to find a group who could make the trip, but the personal plans of our staff, plus the necessity of continuing our own schedule, made it impossible.

Last Friday, and this coming one, were, unfortunately, the only times we could make the trip. Now that the football season is over, all our energies on weekends are devoted to remodeling our studios, which prevents any trips such as these. Again, let me express my regrets at not being able to make the trip. Perhaps next year we can start our plans a little earlier, and make a successful broadcast over WCSR.

Sincerely,

G. Phillips Hanna
